The course will cover everything the beginning beekeeper needs to know. Subjects will include getting started, the honeybee life cycle, choosing an apiary site, buying bees and equipment, assembly of the hive, installing package bees, catching swarms, nectar sources, bee diseases and pests, hive inspections and wintering. A variety of beekeeping equipment will be displayed and demonstrated.

The cost for the 5-week course is \$65.00 per person. This includes all course materials, a textbook and membership dues in the Rhode Island Beekeepers Association through December 31, 2018. As room space is available, additional family members at the same address may attend and share course materials for \$10.00 each. **We reserve the right to limit family members.** Advance registration is required. A late fee of **\$10** will be assessed for post marks after January 26.

To enroll, print out the **registration form** and send with your check payable to:
